This week we observe another Marian celebration, the Queenship Of The Blessed Virgin Mary. It's original date was May 31, when it was instituted by Pius XII in 1954, but it was eventually moved to August 22 so that its close relationship with the Assumption might be made clear.

Mary's queenship is multi-dimensional: she reigns gloriously in heaven as queen and mother; she is the queen who intercedes, she is the sign of the church in its future glory.

Of course, the traditions surrounding the Blessed Mother extend much further than the establishment of this feast. In the eighth century, St. John Damascene wrote, "When she became Mother of the Creator, she truly became Queen of every creature." According to Jewish tradition, the mother of the king was accorded a seat of honor at the right of the king. With Jesus' royal heritage as a descendant and member of the house of David, Mary quite naturally takes her proper place as the Queen Mother. Pius XII simply recalled these traditions and gave us a day to remind us of how we can direct our prayers to Mary, our Queen.

### OLMC SCHOOLHOUSE ANGEL PROJECT

We are once again collecting new school supplies for our local schools. This important endeavor, under the direction of Regina Williams, will be able to provide students with new binders, back packs, pencils, pens, folders, and the like. COLLECTION BOXES are placed in the narthex during the month of August. Thank you, in advance, for your generosity and kindness. Your donations DO make a difference In the lives of students who would not otherwise have these supplies.
